

Rockpolis Oulu

The development of Oulu-based music industry by communication and networking

Basis

The Finnish music industry is centred in Southern Finland. Oulu-based people, whose goal is to be professional music-makers, are often forced to move to the South to find work opportunities. The Rockpolis Oulu project was started to develop music industry opportunities in Oulu.

Aims

- to provide a framework for the music industry's growth in Oulu
- to help bands and artists develop their music interest from hobby to professional
- to create a music network that helps bands, artists, associations and companies
- to find new channels for the music of Oulu-Bands

Action

- music information centre Rockpolis founded
- lectures for music amateurs and professionals on a variety of related topics
- series of tutoring periods for young bands and artists
- musical content to internet and mobile devices
- unite music makers and companies who need musical content

Funding

Council of Oulu Region (EU)
City of Oulu
